

HUMMA SOHAIL

Full Stack Software Engineer | AWS Certified Cloud Computing

Lahore, Pakistan

github.com/humma-sohail | linkedin.com/in/humma-sohail

PROFESSIONAL SUMMARY

Full stack software engineer with hands on experience building web applications using JavaScript, MongoDB, Firebase, and SQL. AWS Certified Cloud Practitioner with a growing portfolio of projects spanning front end interactivity, DOM manipulation. Comfortable working across the stack, from responsive UI development to database backed application logic.

TECHNICAL SKILLS

Languages & Core: JavaScript, SQL, HTML, CSS

Frameworks & Libraries: jQuery, Bootstrap

Databases & Backend Services: MongoDB, Firebase

Cloud: AWS (Certified Cloud Practitioner)

Machine Learning: Convolutional Neural Networks (CNN) fundamentals

Tools: Git, GitHub, Responsive / Grid based Web Design

PROJECTS

EdBridge Full Stack Web Platform (FYP)

Stack: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, JWT, REST APIs

- Developed a full-stack educational web application with a responsive user interface and secure backend architecture.
- Implemented JWT authentication, integrated RESTful APIs, and managed MongoDB database operations.

Image Prediction Model

Stack: Python, CNN

- Built a machine learning project for image prediction using a Convolutional Neural Network (CNN) algorithm.

Home Automation Project

Stack: Python, CNN

- Developed a smart home automation system using Arduino Uno, Bluetooth, and sensors for appliance control and monitoring.

Portfolio Website

Stack: HTML, CSS

- Designed and developed a personal portfolio site to showcase projects and skills.

Simon Game

Stack: HTML, CSS, jQuery

- Built an interactive memory game with dynamic sound and visual feedback using jQuery event handling.

Drum Kit, Interactive Sound Game

Stack: HTML, CSS, JavaScript

- Developed a browser-based drum kit with sound playback using keyboard, mouse, and DOM manipulation..

Recipe Keeper App

Stack: Java, Firebase

- Developed a recipe keeper application using Java and Firebase for storing and managing recipes.

CERTIFICATIONS

AWS Certified Cloud Practitioner

EDUCATION

Bachelor's Degree, Computer Science

University of Central Punjab | Oct 2022 to Jul 2026

Intermediate in Computer Science (ICS)

Punjab College, Lahore | Aug 2020 to Jul 2022
